Detach and Return this form with check payable to SQSA,

Please allow up to 12 weeks for delivery.

Unfortunately both of our jacket suppliers are from Canada and pricing has gone up this year. There may be some sizes remaining in last years inventory of the Mondor jackets at the old price (total cost 80.00), but this will very much be on a first come first serve basis. If we can secure some at the old price we will issue you a 10.00 refund.
